

CALLING ALL BEGINNER RUNNERS!

We will have you 5K ready by May!

Whether you are a total beginner or simply finding your feet again, this is for you. If you have never been active or have let your activity level slip, let us help you get on track. Beat the couch, once and for all!

Give us just 45 minutes of your time, three times a week, and we will have you 5K ready by May.

We'll give you the motivation, support and professional know-how to get over the finish line!

Our programme is organized, realistic, rewarding and achievable. Best of all, it works. Over 1,000 people in Bermuda have completed this challenge so far...are you next?
